1.0 INVITATION TO BID

Bids are invited by Mahagenco Renewable Energy Limited. (MahaGenco REL), 'PRAKASHGAD' Ground Floor, Bandra (East), Mumbai 400051, from qualifying bidders for **Design, Development and Maintenance of Website & Content Management Application with Bilingual support (Marathi & English) for MahaGenco REL.**

2.0 QUALIFYING REQUIREMENTS (QR) OF THE BIDDER

Bidders shall be required to satisfy the following minimum eligibility criteria to be considered for technical evaluation. Bids not satisfying any of the mandatory (pass/fail) criteria shall be summarily rejected:

2.1. GENERAL ELIGIBILITY CRITERIA

- 2.1.1. **Bidders shall be required to satisfy the following minimum eligibility criteria to be considered for technical evaluation. Bids not satisfying any of the mandatory (pass/fail) criteria shall be summarily rejected.**
- 2.1.2. The Bidder should be a company/firm/LLP legally registered in India under the applicable statute (Companies Act, 2013 / LLP Act / Partnership Act / Shops & Establishment, etc.), and should be in the business of website development, hosting and digital solutions for a minimum of five (5) years as on the date of publication.
- 2.1.3. In case of registered Companies, the copy of Certificate of Incorporation (CoI) shall be provided along with the bid documents.
- 2.1.4. In case of partnership / LLP the copy of partnership deed registration or agreement shall be provided along with the bid documents.
- 2.1.5. The Bidder should hold a valid GST Registration and Permanent Account Number (PAN) issued by the competent authority in India.
- 2.1.6. It shall be the sole responsibility of the bidder to inform MahaGenco REL in case the bidder is debarred from bidding by any organization. Concealment of the facts shall be tantamount to misrepresentation of facts and shall lead to action against such Bidders.
- 2.1.7. The Bidder should not have been blacklisted, debarred or declared ineligible by any Central/State Government Department, PSU or Statutory Body as on the date of bid submission. (Supported by a self-declaration on the Bidder's letterhead.)
- 2.1.8. The Bidder should not be under any liquidation court receivership or similar proceedings on the due date of submission of bid.

2.2 TECHNICAL ELIGIBILITY CRITERIA

- 2.2.1 The Bidder should possess in-house technical capability in web design, frontend/back-end development, cyber security/VAPT (or a formal tie-up with a CERT-In empaneled security auditor), and should furnish the resumes/qualifications of the core team proposed for this assignment.
- 2.2.2 The bidder must produce one of the following documents to fulfil Technical

Criteria:

- a. Three completed work orders of Development of website each costing not less than the amount equal to 05 Lacs.
OR
- b. Two completed work orders of Development of website each costing not less than the amount equal to 06 Lacs.
OR
- c. One completed work order of Development of website each costing not less than the amount equal to 12 Lacs.

2.2.3 The Bidder must have successfully designed, developed and delivered at least one (1) website for a State Government / Central Government Department, Public Sector Undertaking (PSU), Board, Corporation, Autonomous Body or Statutory Authority within the last five(5) financial years, supported by satisfactory completion/performance certificates issued by the respective client(s). Documentary proof shall be mandatory.

2.3 START-UP EXEMPTION.

- 2.3.1 The prior experience requirement shall be relaxed for Startups recognized (if any) by the Department for Promotion of Industry and Internal Trade (DPIIT), Government of India. Such DPIIT-recognized Startups shall be eligible to participate in the tender with prior experience requirement.
- 2.3.2 The DPIIT-recognized Startup shall submit a valid DPIIT Startup Recognition Certificate as documentary proof of its eligibility for the exemption.
- 2.3.3 The relaxation shall not dilute or waive any requirement relating to the bidder's technical capability, cybersecurity/VAPT compliance, qualified manpower, infrastructure, project execution capability or ability to successfully deliver the scope of work.
- 2.3.4 However, MahaGenco REL at its own discretion, shall take decision on relaxation and qualification of start-up as specified by DPIIT, if any.

2.4 FINANCIAL ELIGIBILITY CRITERIA

- 2.4.1 Minimum Average Annual Turnover (MAAT) of the Bidder from IT/website development services should not be less than ₹ 15 Lakh during each of the last three (3) audited financial years (FY2023-24, 2024-25 and 2025-26), certified by a practicing Chartered Accountant.

Financial data for latest last three audited financial years has to be submitted by the Bidder in the attached Format in Forms & Formats of the tender document along with audited balance sheets. The financial data in the prescribed format shall be certified by Chartered Accountant with their stamp and signature.

- 2.4.2 The bidder shall have a minimum Net Worth of 25% of its paid-up Share Capital in case a company, 25% of the aggregate Partner's Capital Contribution in case of an LLP, and 25% of the aggregate Partner's Capital Accounts in case of Register Partnership firm, Aggregate Partners' Capital Contribution" means the total amount of capital contributed or agreed to be contributed by all the partners/designated

partners to the LLP, as per the LLP Agreement and the LLP's financial records.

3.0 TENDERING PROCESS:

- 3.1 Each bidder shall register itself at the website address <https://www.bharat-electronictender.com> well before the last date mentioned in the notification of invitation of bids ("NIT").
- 3.2 The bidder is required to pay online non-refundable INR 5,900/- (Indian Rupees Five Thousand Nine Hundred only) (GST inclusive) on or before the last date of payment of tender fees.
- 3.3 The bidder is required to pay non-refundable Tender processing fee of INR 12,980/- (Indian Rupees One Lakh Eighteen Thousand only) (inclusive of GST) on or before the last date of submission of bids.
- 3.4 The bidder is required to submit EMD INR 50,000/- (Indian Rupees Fifty Thousand only) form of either through NEFT / RTGS transfer in the account of MahaGenco REL or Bank Guarantee/Demand Draft / Banker's Cheque /Surety bond in favor of Mahagenco Renewable Energy Limited, Mumbai, payable at Mumbai.

4.0 SCOPE OF WORK

The selected agency shall be responsible for the end-to-end design, development, deployment, security, hosting support, and maintenance of the official website of MahaGenco Renewable Energy Limited (MahaGenco REL), including the following:

- 4.1 **Website Design & User Experience:**
Development of a modern, responsive, mobile-first and user-friendly website with multilingual capability, intuitive navigation and accessibility compliance.
- 4.2 **Website Content & Functionalities:**
Development of comprehensive sections covering corporate information, projects, investors/partners, ESG, media, careers, stakeholder engagement, downloads, legal/compliance information and relevant Government links.
- 4.3 **Technical Development & Hosting:**
Implementation using a secure and scalable CMS/framework, optimized performance, search functionality, SEO, analytics, integrations and hosting on a suitable Government/MeitY-empanelled cloud/data-centre infrastructure located in India.
- 4.4 **Cybersecurity & Government Compliance:**
Compliance with applicable GIGW, MeitY, CERT-In, STQC and other Government cybersecurity requirements, including secure coding, SSL/TLS, WAF, 2FA, VAPT/security audit, vulnerability remediation, data protection, logging, incident response and backup/disaster recovery.
- 4.5 **Content Management System:**
Provision of a secure CMS with role-based access, approval workflow, audit trails, version control, multilingual content management and document management facilities, enabling Company personnel to independently manage website content.
- 4.6 **Performance, Monitoring & Optimization:**
Ensuring website performance, scalability, uptime, caching, image optimization, CDN integration where required, analytics and continuous security monitoring.
- 4.7 **Maintenance & Technical Support:**
Provision of comprehensive AMC/support for a minimum of three years, including security updates, bug fixing, uptime monitoring, incident response, technical

helpdesk and minor modifications.

4.8 Training & Documentation:

Training of designated MahaGenco REL personnel and submission of administrator manuals, SOPs, technical documentation and other necessary operational documents.

4.9 IPR, Data Protection & Confidentiality:

Complete handover of source code, design files, databases, documentation and credentials, with ownership of the developed website and associated deliverables vested with MahaGenco REL, along with appropriate confidentiality, data protection and third-party IP safeguards.

4.10 Third-Party/OEM Compliance:

Ensuring valid authorization/licensing for all third-party software, platforms, plugins and components used in the website and providing necessary warranties and support.

4.11 Testing, Certification & Go-Live:

Conducting functional, performance, accessibility and security testing, obtaining applicable security/VAPT and website quality certifications/audits, rectifying identified vulnerabilities and completing successful deployment and go-live.

4.12 End-to-End Responsibility:

The selected agency shall be responsible for complete requirement gathering, UI/UX design, development, testing, security compliance, deployment, documentation, training, handholding and ongoing maintenance of the MahaGenco REL website.
