

SCRAP DISPOSAL THROUGH E-AUCTION SALE

- Following categories of scrap generated/accumulated at all thermal, hydro & gas Powers Stations of MSPGCL are disposed off by way of sale through e-auctions :

a. General Scrap material :

- **Ferrous Scrap** - Mild Steel scrap, Stainless Steel scrap, Alloy Steel scrap, Cast Iron scrap, Galvanized Iron Scrap etc.
- **Non-Ferrous Scrap** -Copper scrap, Aluminum scrap, Brass scrap, Gun Metal scrap etc.
- **Electrical Scrap**
- **Rubber Scrap** : Vehicle Tyres, Tubes & Flaps, Conveyor Belts etc.
- **Scraped Vehicle** : Bulldozers, Locomotive Engines, Cars, Jeeps etc.
- **Wooden Scrap**
- **Used/Waste Transformer Oil (with containers)**
- **E-waste/Batteries**

b. Coal Mill Reject :

- Coal which is rejected by the pulverizing Coal Mills of boilers at various Thermal Power Stations (except Paras TPS)
- Coal Mill Reject is generally used by the brick manufacturing units
- 20% of the Coal Mill Reject is kept reserved for SSI Units as per stipulations

c. Decommissioned/ retired/ scrapped units at Power Stations with associated obsolete spares & civil structures :

- Power generating units which are surpassed their economic service life.
- Obsolete/ unused spares and civil structures associated with such retired units are also disposed off alongwith the units either as a combined single lot or separate lots, as the case may be.

- Generators, turbines, boilers, transformers, Ash Handling Plant, Coal Handling Plant, Oil Handling Plant, Effluent Treatment Plant, Cooling Towers, electric motors, pumps, pipings with valves & bends, overhead cranes, service buildings, foundations, chimney etc. may be part of e-auction sale, as the case may be.

d. Surplus/ obsolete/ unserviceable – material/ spares/ equipment

- Equipments / items / spares of Stores Stocks identified as slow-moving / non-moving and field equipments / assets identified as unserviceable / surplus / obsolete.

E-auctions Process

- E-auctions are conducted on “As is where is”, “As is available” & “No Complaint” basis.
- Prospective bidders can inspect the material at the respective sites during the stipulated period prior to the actual date of e-auction sale.
- For participation in online e-auctions, the prospective bidders are required to get registered with MSPGCL authorized Auctioneer and pay the stipulated amount of Pre-bid EMD within stipulated period with the Auctioneer.
- List of auction material, photographs, Auction schedule, Pre-bid EMD amount, e-auction terms & conditions etc. are displayed on Auctioneers website in advance.
